Section 2: Infections in Solid Organ Transplant Recipients

Section Editors: Ajit P. Limaye and Lynne Strasfeld

Introduction to Section Two: Ajit P. Limaye and Lynne Strasfeld

Case 2.1: Breathless in Seattle, Erika D. Lease

Case 2.2: Red Snapper Cough, Robert M. Rakita

Case 2.3: Spots on the Lung, Joshua A. Hill

Case 2.4: Spots on the Brain, Elizabeth Ann Misch

Case 2.5: A Purplish Skin Lump, Christine M. Durand and Kieren Marr

Case 2.6: To Accept or Not to Accept, Ignacio A. Echenique and Michael G. Ison

Case 2.7: Fuzzy Vision and Balance Problems

Yuki Aoyagi and Richard A. Zuckerman

Case 2.8: More Than a Green Thumb, Jasmin Chaudhary

Case 2.9: Oh My Aching Head, Graeme N Forrest

Case 2.10: It's That Time of Year Again, Morgan Hakki

Case 2.11: How Low did the Hemoglobin Go?, Morgan Hakki

Case 2.12: The "Achilles' Heel" of Liver Transplantation

Janice Jou and Christopher D. Pfeiffer

Case 2.13: The Troll of Transplantation Rears its Head, Katie A. Sharff

Case 2.14: Sometimes it's the Drug, Rather Than the Bug, Lynne Strasfeld

Case 2.15: While the T cells Were Sleeping, Lynne Strasfeld

Case 2.16: An Ounce of Prevention, Jason Van Winkle

Case 2.17: Cruise Ship Souvenir, Robert M. Rakita

[Section 3: Infections in Hematopoietic Stem Cell Transplant \(HSCT\) Recipients](#)

Section Editor: John R. Wingard

Introduction to Section Three: John R. Winegard

Case 3.1: A Bad Case of the Trots: Diarrhea Early in the Course of Transplantation, Jack Hsu

Case 3.2: An Unexpected Trouble, Maxim Norkin

Case 3.3: A Swollen Eye, John R. Wingard

Case 3.4: Breathless in the Transplant Unit, John R. Wingard

Case 3.5: Learning from our Failures: Stubborn Aspergillosis That Does Not Get Better, John R. Wingard

Case 3.6: Mr. Sniffles Strikes Again, Gaurav Trikha

Case 3.7: Mucormycosis: An Uncommon But Deadly Foe, Maxim Norkin

Case 3.8: Something's in the Air, Gaurav Trikha

Case 3.9: Take My Breath Away, Gaurav Trikha

Case 3.10: Unfinished Business: Prior Aspergillosis, John R. Wingard

Case 3.11: When the Levee Breaks, Maxim Norkin

Case 3.12: A Bump in the Night, Jack Hsu

Case 3.13: A Really Bad Yeast Infection, John R. Wingard

Case 3.14: Proceed or Not to Proceed: Evaluation of the Transplant Candidate with Prior Hepatitis, Jack Hsu

Case 3.15: An All Too Common Abdominal Catastrophe in the Transplant Patient, Gaurav Trikha

Case 3.16: Female Troubles After Transplantation, Jack Hsu

Case 3.17: If at First you Do Not Succeed, Try, Try, Again

John R. Wingard

Case 3.18: An Enemy Awakened, Maxim Norkin

Case 3.19: A Heat Wave, John R. Wingard

Case 3.20: A Bellyache Seven Months After Transplant, John R. Wingard

Section 4: Infections in Patients Receiving Immunosuppressive Drugs

Section editor: Emily A. Blumberg

Introduction to Section Four: Emily A. Blumberg

Case 4.1: Consternation about Induration, Ryan McConnell and Naasha J. Talati

Case 4.2: Game of Cat and Mouse, Ambar Haleem and Bryan Steussy

Case 4.3: Beware the Fish Tank, Dilek Ince

Case 4.4: The Perils of Processed Foods, Jessie Torgersen and Todd Barton

Case 4.5: When the Dust Settles, Jennifer M. Babik

Case 4.6: A Tough Pill to Swallow, Matthew Whitson and Vandana Khungar
