

Key Features:

- Reviews the general factors affecting the vulva such as age, ethnicity and physiology
 - Discusses the main specific dermatologic disorders presenting in the vulva
 - Examines the medical, surgical and societal problems specific to the the vulva
 - Is illustrated with color figures throughout
-

Περιεχόμενα:

I Anatomy and Physiology

- 1 Anatomy of the vulva, Aikaterini Deliveliotou and George Creatsas
- 2 Tissue structure and physiology of the vulva
Miranda A. Farage and Howard I. Maibach
- 3 Changes in the vulva and vagina throughout life
Miranda A. Farage, Howard I. Maibach, Aikaterini Deliveliotou and George Creatsas
- 4 Microbial ecology of the vulva, Catherine C. Davis and Ronald W. Berg
- 5 Vulvar ethnic differences: An overview, Ying Zou and Howard I. Maibach
- 6 Vulvar and extragenital clinical sensory perception
Miranda A. Farage, Kenneth W. Miller, Denniz Zolnoun and William J. Ledger
- 7 The menstrual cycle, the composition of menses and the effect of menses on the skin, Miranda A. Farage, William H. Hood, and Paula J. Adams Hillard
- 8 Characterization and treatment of lochia: A review
Miranda A. Farage, Ninah Enane-Anderson, Narlha Munoz, Orlando Ramirez-Prada and William J. Ledger
- 9 Biomolecular markers and physical measures in the urogenital area
Miranda A. Farage, Ken Wehmeyer, Gina Fadayel, Stacey Carpenter, Richard Cheng, Baiyang Wang and William J. Ledger

II Management of Clinical Issues: Disorders, Diagnoses, Symptoms, Toxicity and Therapies

- 10 Are vaginal symptoms ever normal?
Matthew Anderson and Alison Karasz

- 11 Common diseases of the vulva, Diane Elas and Colleen K. Stockdale**
- 12 Which women develop vulvar cancer?, Allan Maclean**
- 13 Vulvar cancer and post vulvectomy complications
Christos Iavazzo and Ioannis D. Gregkes**
- 14 Dermoscopic and confocal microscopy patterns of vulvar mucosal melanotic macules, Elvira Moscarella, Elisa Cinotti, Jean Luc Perrot and Giuseppe Argenziano**
- 15 Vulvar procedures: biopsy and Bartholin abscess treatment
Allison Jackson, Danielle Cooper and Edward J. Mayeaux, Jr**
- 16 Condyloma, James Cook, James Ferguson and Edward J. Mayeaux, Jr**
- 17 Vulvar seborrheic keratosis , Jason C. Reutter**
- 18 Vulvar oedema diagnosis , Katherine Gilmore and Jane Hussey**
- 19 Vulvar/vaginal atrophy: A review , Rosella E Nappi and Barbara Gardella**
- 20 Female-specific pruritus
Michael Joseph Lavery, Carolyn Stull, Shoshana Korman Grossman and Gil Yosipovitch**
- 21 Vulvar lichen sclerosus , Jill M. Krapf and Andrew T. Goldstein**
- 22 Seborrheic keratosis: Pathogenesis, histopathology and clinical aspects
Devinder Mohan Thappa and Munisamy Malathi**
- 23 Vulvodynia
Nancy A. Phillips, Lauren D. Arnold and Gloria A. Bachmann**
- 24 Impact of urinary incontinence and urogenital atrophy on the vulva
Sushma Srikrishna and Linda Cardozo**
- 25 Fecal incontinence, Kevin Kniery, Vanessa P. Ho and Scott R. Steele**
- 26 The menstrual cycle and the skin
Birgit Drexler, Michael Landthaler and Silvia Hohenleutner**
- 27 Women's perceptions of sensitive vulvar skin during different life stages
Miranda A. Farage**
- 28 Dermatotoxicology of the vulva
Christina Y. Wang and Howard I. Maibach**
- 29 Allergic contact dermatitis of the vulva Cody J. Connor**
- 30 Bioengineering methods for the vulva
Sibylle Schliemann, Britta Opper and Peter Elsner**
- 31 Vulvar therapies: Evidence vs. testimony
Natalie Moulton-Levy and Howard I. Maibach**

III Genital Alterations and Classifications

- 32 Female genital alterations: A sociological perspective
Samar A. Farage**
- 33 Female genital cutting: Cultural challenges and health complications
Miranda A. Farage, Kenneth W. Miller, Ghebre Tzeghai, Jack Sobel and**

William J. Ledger

34 Classification of the labia minora

Cindy Wu, Lynn A. Damitz and Denniz A. Zolnoun

35 Danger zones in labiaplasty

Cindy Wu, Lynn A. Damitz and Denniz A. Zolnoun

IV Vulvar Care

36 Genital hygiene: Culture, practices and health impact

Miranda A. Farage and Mario Bramante

37 Products used on the vulva

Miranda A. Farage and Lisa Lennon

38 Consumer research and in-market comments, Brigitte Nijs
