

1. Introduction: Narratives of OCD - Elias Aboujaoude and Christopher Pittenger

Section 1: Clinical Presentation and Diagnosis

2. Clinical Presentation of OCD - Fred Penzel

3. Pediatric OCD: Clinical Course, Phenomenology, and Assessment - Rachel E. Ginsberg, Samantha Morrison, and Anthony Puliafico

4. Epidemiology, Comorbidity, and Burden of OCD - Albina R. Torres, Leonardo F. Fontenelle, Roseli G. Shavitt, Marcelo Q. Hoexter, Christopher Pittenger, and Euripedes C. Miguel

5. Natural History and Long-Term Outcome of OCD - Michael H. Bloch

6. Quality of Life and Psychosocial Functioning in OCD - Christina L. Boisseau, Carly M. Schwartzman, and Steven A. Rasmussen

7. Psychodynamic perspectives on OCD - Robert A. King

Section 2: Phenomenology and Cognitive Psychology

8. Symptom heterogeneity in OCD: A dimensional approach - Maria Concei Conceição do Rosário, Marcelo Batistutto, and Ygor Ferrao

9. Incompleteness and harm avoidance - Stefano Pallanti, Jennifer Barnes, Christopher Pittenger, and Jane Eisen

10. Disgust and OCD - Lauren Mancusi & Dean McKay

11. Sensory Processing and Intolerance in OCD - Stephanie J. Grimaldi, and Emily R. Stern

12. Scrupulosity and Slowness in OCD: Perfectionism as a Central Mechanism - Rachel Ojserkis and Dean McKay

13. Variable Insight in OCD - Rebecca J. Hamblin, Jennifer Moonjung Park, Monica S. Wu, and Eric A. Storch

14. Clinical Rating Scales for OCD - Joseph F. McGuire, Eric A. Storch, and Wayne Goodman

15. Neuropsychosocial Function in OCD - Amitai Abramovitch

16. Habits and Goals in OCD - Claire M. Gillan

17. Intolerance of Uncertainty in Obsessive-Compulsive Disorder - Ryan J. Jacoby and Jonathan S. Abramowitz

18. Pathological responsibility, thought-action fusion, and thought control in OCD - Christine Purdon

Section 3: Biological Underpinnings

19. Genetics Of OCD - Paul Arnold

20. Neurocircuitry underlying OCD : neural networks underlying reward and action selection - Suzanne N. Haber

21. A review and synthesis of functional neuroimaging studies of OCD - Brian P. Brennan and Scott L. Rauch

22. Functional Imaging Studies of OCD: A Hypothesis-Driven Review - M.M. Vaghi and T.W. Robbins

23. The Structure of the OCD Brain - Premika S.W. Boedhoe and Odile A. van den Heuvel

24. Brain Functional Connectivity in OCD - Carles Soriano-Mas and Ben J. Harrison

25. Neurotransmitter dysregulation in OCD - Ilse Graat, Martijn Figee, and Damiaan Denys

26. Neuropeptides in OCD - Anahid Kabasakalian, Eric Hollander

27. Influence of sex hormones on OCD - Valeria Guglielmi, Judith Souget, Wouter van

Elzelingen, Ingo Willuhn, and Nienke Vulink

28. PANDAS as a Post-Streptococcal Autoimmune Neuropsychiatric Form of OCD - Susan E. Swedo, Kyle A. Williams

Section 4: Animal Studies

29. Animal models of OCD: A conceptual framework - Christopher Pittenger, Stephanie Dulawa, and Summer L. Thompson

30. Extinction of conditioned fear and avoidance: Relevance for OCD - Jose Rodriguez-Romaguera and Gregory J. Quirk

31. OCD as a failure to integrate goal-directed and habitual action control - Laura Bradfield, Richard Morris, and Bernard W. Balleine

32. Spontaneously Occurring Animal Models of OCD - Nicholas H. Dodman and Louis Shuster

33. Mutant Mouse Models of OCD - Louis Y. Tee and Guoping Feng

34. Targeted circuit manipulations in the modeling of OCD - Susanne E. Ahmari

35. Pharmacological and behavioral rodent models of OCD - Summer L. Thompson and Stephanie C. Dulawa

Section 5: Treatment

36. Overview of the treatment of OCD - H. Blair Simpson

37. Exposure and Response Prevention in OCD - Jonathan S. Abramowitz

38. Cognitive Therapy for OCD - Maureen Whittal

39. Mindfulness and Acceptance Therapies for Obsessive-Compulsive and Related Disorders - Kate L. Morrison, Brooke M. Smith, and Michael P. Twohig

40. Standard Evidence-Based Pharmacological Treatment for OCD - Jemma E. Reid, Samar Reghunandan, Ann Roberts, and Naomi A. Fineberg

41. The pharmacological treatment of refractory OCD - Christopher Pittenger

42. Treatment of Pediatric OCD - S. Evelyn Stewart and Clare Bleakley

43. Family accommodation in OCD: Prevalence, impact, and clinical implications - Kristin Koller and Eli R. Lebowitz

44. Nutraceutical and alternative treatments for Obsessive compulsive and Related Disorders - David Camfield and Jerome Sarris

45. Functional Neurosurgery in Severe and Treatment-Refractory OCD - Erica C. Keen, Alik S. Widge, and Darin D. Dougherty

46. Deep Brain Stimulation for Intractable OCD - Wayne K. Goodman, Nigel Kennedy, Kyle Lapidus, and Brian H. Kopell

47. Intensive Treatment Approaches for OCD - Joshua M. Nadeau, Bradley C. Riemann, and Eric Storch

Section 6: OCD-Related Disorders

48. Obsessive-Compulsive and Related Disorders: A New Category in DSM-5 - Katharine A. Phillips

49. Clinical Features, Assessment, and Treatment of body Dysmorphic Disorder - Lisa Zakhary, Hilary Weingarden, Alexandra Sullivan, and Sabine Wilhelm

50. Body Dysmorphic Disorder: Neurobiology and Genetics - Jamie D. Feusner and Danyale McCurdy-McKinnon

51. Trichotillomania and skin picking disorder - Jon E. Grant, Sarah A. Redden, Eric W. Leppink

52. Hoarding Disorder: Clinical presentation and treatment - Randy O. Frost, Lucy Graves, Elizabeth Atkins
53. Comorbidity in Pediatric OCD: Tourette Syndrom - Michael H. Bloch

Section 7. Comorbidity

54. Mood and Anxiety Disorder Comorbidity in OCD - L. Baer, A. Fang, N.C. Berman, and W.E. Minichiello
55. Psychological Trauma Exposure and Obsessive-Compulsive symptoms - Dean McKay and Rachel Ojserkis
56. Eating Disorder Comorbidity with OCD - Marina Gershkovich, Olivia Pasucci, and Joanna Steinglass
57. Obsessive-Compulsive Symptoms in Schizophrenia: Clinical features, neurobiological correlates and treatment - Michael Poyurovsky
58. Differentiating Autism Spectrum disorder and OCD - Robert E. Accordino, W. Philip Bartel, Isobel W. Green, Christen L. Kidd, and Christopher J. McDougle
59. Personality Pathology in OCD: Comorbidity and Contrast with OCPD and Other Personality Disorders - Michael G. Wheaton and Anthony Pinto

Section 8: Special Topics

60. Etiological models of OCD: anxiety, obsession, compulsion, completeness - Christopher Pittenger, Patricia Gruner, Thomas A. Adams, Benjamin Kelmendi
61. Evolutionary Perspectives of OCD - Gerrit I. van Schalkwyk and James F. Leckman
62. Research Domain Criteria and OCD: An oxymoron? - Eyal Kalanthroff, Gideon E. Anholt, and Helen Blair Simpson
63. OCD in Ethnoracial Minorities: Symptoms, barriers to care, and cultural considerations for treatment - Monnica T. Williams and Terence Ching
64. OCD in the Educational Setting - Allen H. Weg
65. The integration of new technological approaches in OCD care - Seth Feuerstein
66. OCD, Advocacy, and Addressing Stigma - Jeff Szymanski, Carly Bourne
67. Living with OCD - Elizabeth McIngvale
