

Part 1

The Head 1

Topographic Anatomy of the Head 1

Cerebral Cranium 1

Basis Cranii Interna 15

The Brain 18

Surgical Anatomy of Congenital Disorders 41

Pathotopography of the Cerebral Part of the Head 42

Facial Head Region 47

The Lymphatic System of the Head 89

Congenital Face Disorders 92

Pathotopography of the Facial Part of the Head 94

Attachment 1: Neurocranial Part Topography 102

Attachment 2: Facial Part Topography 103

Part 2

The Neck 105

Topographic Anatomy of the Neck 105

**Fasciae, Superficial and Deep Cellular Spaces and their
Relationship with Spaces Adjacent Regions 107**

Triangles of the Neck 113

Organs of the Neck 135

Pathography of the Neck 144

Attachment 3: Topography of the Neck 155

Appendix A: Adult 157

Appendix B: Child 165
