

Contents

Preface ix
Acknowledgments xii

Section 1 Introductory Chapters

- 1 **Basic Electricity, Electrical Concepts, and Circuits** 3
- 2 **Instrumentation** 33
- 3 **Anatomy and Physiology of Neurons** 49
- 4 **Anatomy and Physiology of the Neuromuscular Junction** 68
- 5 **Anatomy and Physiology of Muscle** 73

Section 2 Nerve Conduction Studies

- 6 **Electrodes and Nerve Conduction Study Basics** 85
- 7 **Motor Nerve Conduction Studies** 95
- 8 **Sensory Nerve Conduction Studies** 111
- 9 **The NCS Manifestations of Various Pathologies** 123
- 10 **The Utility of NCS for Lesion Localization and Characterization** 137
- 11 **Late Responses and Blink Reflexes** 141
- 12 **Repetitive Nerve Stimulation Studies and Their Pathological Manifestations** 152

Section 3 The Needle EMG Examination

- 13 **The Needle EMG Examination** 161
- 14 **The Needle EMG Manifestations of Pathology** 183
- 15 **Single-Fiber EMG and Macro EMG** 204

Section 4 Other Pertinent EDX Information

- 16 **Assessment and Initial Management of Peripheral Nerve Injuries** 213
- 17 **The Electrodiagnostic Manifestations of Disorders at Various Levels of the Neuraxis** 235
- 18 **Common Pitfalls and Their Resolution** 257
- 19 **Safety Issues in the EDX Laboratory** 290
- 20 **Nontechnical Issues, Pain Lessening Techniques, the Encounter, and the Report** 302

Section 5 Case Studies in Electrodiagnostic Medicine

Case 1 through Case 50 317

Section 6 Appendices

- Appendix 1 **Plexus Anatomy** 483
- Appendix 2 **Nerve Anatomy** 484
- Appendix 3 **Myotome Tables for the Upper and Lower Extremities** 492
- Appendix 4 **The SNAP, CMAP, and Needle EMG Domains of the Brachial Plexus Elements** 493
- Appendix 5 **The Sensory and Motor NCS Techniques Used in Our EMG Laboratories** 496

Contents

- Appendix 6 **The Age-Related, Normal Control Values Used in Our EMG Laboratories** 509
- Appendix 7 **Our Screening Sensory and Motor NCS and Needle EMG Muscles** 510
- Appendix 8 **The Advantages and Disadvantages of the Individual EDX Studies** 511
- Appendix 9 **Needle EMG Findings with Lesions at Various Levels of the Neuraxis** 512
-
- Index* 513
