List of Contributors *xiii*

Foreword *xix*

Preface *xxi*

About the Companion Website *xxiii*

Section 1 Basic Science 1

1 Introduction 3

Somesh Gupta and Nanja van Geel

2 Melanocyte and Melanogenesis: Applied Anatomy and Physiology 9

Reinhart Speeckaert and Nanja van Geel

3 Epidemiology of Vitiligo 15

Nader Aboul-Fettouh and Amit G. Pandya

4 Pathogenesis of Vitiligo 19

John E. Harris

5 Understanding the Mechanisms of Repigmentation in Vitiligo 27

Ravinder Kumar, Davinder Parsad, and Amrinder J. Kanwar

Section 2 Clinical Science 33

6 Classification and Clinical Features of Vitiligo 35

Sang Ho Oh and Seung-Kyung Hann

7 Outcome Measures for Vitiligo 49

Brian Clinton, Viktoria Eleftheriadou, Nanja van Geel, Laila Benzekri, Amit G. Pandya, and Khaled Ezzedine

8 Evaluation and Treatment of the Psychosocial Burden of Vitiligo 61

Vishal Gupta and M. Ramam

- 9 Patient Support, Education, and Compliance 69**
Richard H. Huggins, Jackie Gardner, and Amit G. Pandya
- 10 Goals of Vitiligo Treatment, and Evidence-Based Practice Guidelines for Medical and Surgical Management 77**
Kevin Prier and Amit G. Pandya
- 11 The Concept of Stability of Vitiligo and Stabilization Therapies 81**
Anuradha Bishnoi and Davinder Parsad
- Section 3 Phototherapy 91**
- 12 Narrow-Band Ultraviolet B Phototherapy in Vitiligo 93**
Narumol Silpa-archa and Henry W. Lim
- 13 UVA-Based Phototherapy: PUVA, PUVA-Sol, and UVA1 Phototherapy 105**
Ljubomir B. Novaković
- 14 Targeted Phototherapy in Vitiligo 113**
Mohammed Al-Jamal, James L. Griffith, Iltefat H. Hamzavi, and Henry W. Lim
- Section 4 Medical Management 123**
- 15 Immunomodulators and Immunosuppressives in Vitiligo Treatment 125**
Anuradha Bishnoi and Davinder Parsad
- 16 Topical Glucocorticoids, Topical Calcineurin Inhibitors, and Topical Vitamin D3 Analogs 133**
Sai Yee Chuah and Boon Kee Goh
- 17 Other Therapies in Vitiligo 141**
Narumol Silpa-archa, James L. Griffith, Iltefat H. Hamzavi, and Pearl E. Grimes
- 18 Biologic Therapies for Vitiligo 151**
Pablo Michel and Amit G. Pandya
- 19 Evidence Toward Integrated Management of Vitiligo, Combining Ayurveda and Homeopathy with Modern Dermatology 159**
Saravu R. Narahari, Madhur G. Aggithaya, Kuthaje S. Bose, and Kodimoole S. Prasanna
- Section 5 Surgical Therapies: History, Patient Selection, and Classification 171**
- 20 History and Chronology of Development of Surgical Therapies for Vitiligo 173**
Koushik Lahiri and Abhishek De
- 21 Patient Selection, Pre- and Postoperative Information in Surgical Therapies for Vitiligo 185**
Nanja van Geel and Mats J. Olsson

- 22 Classification of Surgical Therapies in Vitiligo 193**
James L. Griffith, Mohammed Al-Jamal, and Iltefat H. Hamzavi
- Section 6 Surgical Therapies: Tissue Grafting 209**
- 23 Minigrafting for Vitiligo 211**
Koushik Lahiri
- 24 Suction Blister Epidermal Grafting 225**
Savita Yadav and Somesh Gupta
- 25 Thin and Ultra-Thin Skin Grafts for Vitiligo 241**
Imran Majid
- 26 Treatment of Leukoderma by Transplantation of Ultra-Thin Epidermal Sheets Using a Motorized Dermatome 249**
Mats J. Olsson
- 27 Mesh Grafts for Vitiligo 257**
Chakravarthi R. Srinivas and Reena Rai
- 28 Smash Grafting 261**
Sumit Kar, Ajay Krishnan, and Sudhir Singh
- 29 Therapeutic Needling and Needling Micrografting 267**
Khalifa E. Sharquie and Adil A. Noaimi
- 30 Complications and Limitations of Melanocyte Transplantation 273**
Yvon Gauthier and Laila Benzekri
- Section 7 Surgical Therapies: Cellular Grafting 279**
- 31 Treatment of Leukoderma by Transplantation of Basal Cell Layer Suspension 281**
Mats J. Olsson
- 32 Non-Cultured Extracted Follicle Outer Root Sheath Cell Suspension Transplantation 293**
Kanika Sahni and Somesh Gupta
- 33 Long-Term Results of Non-Cultured Epidermal Cellular Grafting in Vitiligo 299**
Nanja van Geel, Sofie De Schepper, Hilde Lapeere, Barbara Boone, Boon Kee Goh, and Reinhart Speeckaert
- 34 Simplified Non-Cultured Cellular Grafting 303**
Boon Kee Goh
- 35 Novel Methods of Preparing Epidermal Cell Suspension for Transplantation in Vitiligo 309**
Vishal Gupta, Sanjeev Gupta, Kanika Sahni, and Somesh Gupta

- 36 Management of Vitiligo: Setting Up a Tissue Culture Laboratory 317**
Rafał Czajkowski, Małgorzata Maj, and Tomasz Drewa
- 37 Treatment of Leukoderma by Transplantation of Cultured Autologous Melanocytes 323**
Mats J. Olsson
- 38 Transplantation of *In-Vitro*-Cultured Epithelial Grafts for Vitiligo and Piebaldism 337**
Liliana Guerra, Sergio Bondanza, and Desanka Raskovic
- 39 Application of Lasers for Abrasion in Transplantation Procedures for Vitiligo 351**
Gwang Seong Choi
- 40 Cell Delivery on Recipient Skin 357**
Thomas Hunziker
- 41 Safety Concerns in Transplantation of *In-Vitro*-Cultured Cellular Grafts 363**
Liliana Guerra, Elena Dellambra, Patrizia Paterna, and Somesh Gupta
- Section 8 Special Issues in Medical and Surgical Therapies 369**
- 42 Surgical Management of Vitiligo of Lips, Eyelids, and Genitals 371**
Riti Bhatia and Somesh Gupta
- 43 Surgical Management of Acral Vitiligo 389**
Munish Paul
- 44 Surgical Management of Leukotrichia 401**
Amrendra Kumar
- 45 Surgical Treatments of Leukodermas Other Than Vitiligo Vulgaris 407**
Mats J. Olsson
- 46 Ethnic Issues in Management of Vitiligo and Sun Protection 417**
Haneol S. Jeong, Michelle Rodrigues, and Amit G. Pandya
- 47 Management Issues for Vitiligo in Children and Pregnant Women 427**
Freya Van Driessche and Nanette Silverberg
- 48 Combination Treatments for Vitiligo 439**
Anuradha Bishnoi and Davinder Parsad
- 49 Micropigmentation 451**
Gurvinder P. Thami
- 50 Camouflage in Vitiligo 459**
Chakravarthi R. Srinivas, Pradeep Balasubramanian, and C.K. Shashidharan Nair

- 51 **Depigmentation Treatment for Vitiligo: Bleaching Cream, Laser, and Cryotherapy** 469
Nanja van Geel and Monique R.T.M. Thissen
- 52 **Future Directions in the Treatment of Vitiligo** 475
Vishal Gupta and Somesh Gupta
- 53 **Informed Consent** 491
Mats J. Olsson
- Index** 495
