

Foreword to the 1st edition

Foreword to the 2nd edition

Chapter 1. Challenges of Anesthesia Outside of the Operating Room

Wendy L. Gross, MD, MHCM and Richard D. Urman, MD, MBA

Chapter 2. Preoperative Patient Evaluation for Anesthesia Care Outside of the Operating Room

Yasmeen Beg, MD and BobbieJean Sweitzer, MD

Chapter 3. Patient Monitoring

Benjamin T. Fedeles, MD, Samuel M. Galvagno Jr, DO, PhD, FCCM, and Bhavani Kodali, MD

Chapter 4. Anesthetic Techniques

Dennis Grech, MD and Laurence M. Hausman, MD

Chapter 5. Recovery and Discharge for Procedures Conducted Outside of the Operating Room

Hairil R. Abdullah, MBBS, MMED and Frances Chung, MBBS, FRCPC

Chapter 6. Management of Staffing and Case Scheduling for Anesthesia Outside of the Operating Room

Alex Macario, MD, MBA and Deepak Sharma, MD, MBA

Chapter 7. Financial Analysis and Competitive Strategies for NORA

Sanjana Vig, MD, MBA and Steven Boggs, MD, MBA

Chapter 8. Anesthesia Information Management Systems (AIMS) for the OOR Setting

Keith J Ruskin, MD and Ori Gottlieb, MD

Chapter 9. Procedural Sedation by Nonanesthesia Providers

Julia Metzner, MD and Karen B. Domino, MD, MPH

Chapter 10. Outcomes, Regulation, and Quality Improvement

Julia Metzner, MD and Karen B. Domino, MD, MPH

Chapter 11. CT and PET/CT-Guided Interventional Radiology Procedures

Sharath K. Bhagavatula, MD, Daniel A. T. Souza, MD, Milana Flusberg, MD, Stuart G. Silverman, MD, and Paul B. Shyn, MD

Chapter 12. Magnetic Resonance Imaging and Ultrasound-Guided Percutaneous Interventional Radiology Procedures

Sharath K. Bhagavatula, MD, Bijal Patel, MD, Kemal Tuncali, MD, Stuart G. Silverman, MD, and Paul B. Shyn, MD

Chapter 13. Interventional Neuroradiology

Ruth Thiex, MD, PHD and Kai U. Frerichs, MD

Chapter 14. Interventional Radiology Procedures

Leslie B. Scorza, MD

Chapter 15. Anesthesia for Diagnostic and Therapeutic Radiologic Procedures

Annie Amin, MD and Thomas W. Cutter, MD, MAEd

Chapter 16. Anesthesia in the Radiation Oncology Suite

Eric A. Harris, MD, MBA and Keith Candiotti, MD

Chapter 17. Radiation Safety

Erin M. Maddy, Kevin Abnet, Geoffrey Scriver, and Mrinal Shukla

Chapter 18. Gastrointestinal Endoscopy Procedures

Mark A. Gromski, MD and Kai Matthes, MD, PHD

Chapter 19. Anesthesia for Gastrointestinal Endoscopic Procedures

Lori Kral Barton, MD and Regina Y. Fragneto, MD

Chapter 20. Anesthesia for Interventional Pulmonology

Basem Abdelmalak, MD

Chapter 21. Anesthetic Implications of Natural Orifice Translumenal Endoscopic Surgery (NOTES) and Single-Incision Laparoscopic Surgery (SILS)

Mark A. Gromski, MD and Kai Matthes, MD, PHD

Chapter 22. New Challenges for Anesthesiologists Outside of the Operating Room: The Cardiac Catheterization and Electrophysiology Laboratories

Wendy L. Gross, MD, MHCM, Lebron Cooper, MD, Robert T. Faillace, MD, ScM, Douglas C. Shook, MD, Suanne M. Daves, MD and Robert M. Savage, MD, FACC

Chapter 23. Sedation for assisted reproductive technologies

Vesela Kovacheva, MD PhD and Patricia M. Sequeira

Chapter 24. Anesthesia for Urologic Procedures

Christopher V. Maani, MD and Gaelen Horne, DO

Chapter 25. Anesthesia for Procedures in the Emergency Department

James E. Andruchow, MD, MSc and Benjamin Easter, MD

Chapter 26. Office-Based Anesthesia

Laurence M. Hausman, MD

Chapter 27. Pediatric Anesthesia Outside of the Operating Room

Mohamed Mahmoud, MD, Robert S. Holzman MD, and Keira P. Mason, MD

Chapter 28. Procedures in the Adult and Neonatal Intensive Care Unit

Matthew Read, MD and Christopher V. Maani, MD

Chapter 29. Electroconvulsive Therapy

Lisa Ross, MD

Chapter 30. Pain Management Procedures

Christopher V. Maani, MD and LT Col Edward M. Lopez, MD

Chapter 31. Anesthesia in the Military Setting

Craig McFarland MD, Robert H. Burch III MD, and Christopher V. Maani, MD

Chapter 32. Anesthetic Considerations in Homeland Disasters

Robert Perelmut MD and Ernesto A. Pretto JR., MD, MPH

Chapter 33. Non-elective care on board of aircraft

Christopher Connor, MD PhD and Ben O'Brien, MD PhD (Habil) FRCA FFICM MHBA ATPL

Chapter 34. Anesthesia Considerations in Dental Practice

Janice A. Townsend, DDS, MS, Gabriel Hernandez, DDS, and Lynda Harhad, DDS

Chapter 35. Ultra-Rapid Opiate Detoxification

Clifford M. Gevirtz, MD, MPH, Elizabeth Frost, MD, and Alan D. Kaye, MD, PHD

Chapter 36. Telemedicine, Teleanesthesia, and Telesurgery

W. Bosseau Murray, MD, Sorin Vaduva, MBA, and Benjamin W. Berg, MD

Chapter 37. The Future of NORA

Donald Matthews

Appendix 1. Preuse Checking of Anesthesia Equipment

Appendix 2. Malignant Hyperthermia

Appendix 3. Selected American Society of Anesthesiologists Guidelines

Appendix 4. ACLS

Appendix 5. Pediatric Emergency Planning and Resuscitation
