

- **1 Epidemiology of Esophageal Carcinoma**
Mohammad H. Shakhathreh and Hashem El-Serag
- **2 Barrett's Esophagus: Definition and Diagnosis**
Stuart Jon Spechler
- **3 Epidemiology and Prevalence of Barrett's Esophagus**
Helen G. Coleman, Shivaram K. Bhat and Liam J. Murray
- **4 Esophageal Adenocarcinoma: Risk Factors**
Mariam Naveed, Kerry Dunbar
- **5 Esophageal Motility Abnormalities in Barrett's Esophagus**
Kumar Krishnan, John E. Pandolfino and Peter J. Kahrilas
- **6 Molecular Biology of Barrett's Esophagus and Esophageal Adenocarcinoma**
Ayesha Noorani and Rebecca C. Fitzgerald
- **7 Histology of Barrett's Esophagus: Metaplasia and Dysplasia**
Deepa T. Patil and John R. Goldblum
- **8 Helicobacter Pylori and Esophageal Neoplasia**
Arne Kandulski, Marino Venerito and Peter Malfertheiner
- **9 Screening and Surveillance**
Krish Rangunath
- **10 New Surface Imaging Technologies for Dysplasia and Cancer Detection**
David F. Boerwinkel, Wouter L. Curvers and Jacques J.G.H.M. Bergman
- **11 New Cellular Imaging Technologies for Dysplasia and Cancer Detection**
Ralf Kiesslich
- **12 Role of Endoscopic Ultrasound in Esophageal Cancer**

A. Samad Soudagar and Neil Gupta

- **13 Staging of Esophageal Adenocarcinoma by CT, PET and Other Modalities**

Florian Lordick, Katja Ott, Matthias Ebert, Lars Grenacher, Bernd-Joachim Krause and Christian Wittekind

- **14 Medical Management of Barrett's Esophagus**

Sachin Wani

- **15 Thermal Therapies and Photodynamic Therapy for Early Esophageal Neoplasia**

Jacques Deviere

- **16 RFA for Early Esophageal Neoplasia**

Daniel K. Chan, Cadman L. Leggett and Kenneth K. Wang

- **17 The Role of Endoscopic Cryotherapy for Treatment and Palliation**

Kristle Lee Lynch, Eun Ji Shin and Marcia Irene Canto

- **18 Endoscopic Mucosal Resection**

Oliver Pech

- **19 Endoscopic Sub-mucosal dissection**

Hiro Yamamoto, Tsuneo Oyama and Takuji Gotoda

- **20 Surgical Therapy of Early Esophageal Cancer**

Toshitaka Hoppo and Blair A. Jobe

- **21 Chemoprevention: Can We Prevent Esophageal Cancer?**

Janusz Jankowski and Mary Denholm

- **22 Selection of Patients for Eradication and Cancer Prevention**

Aaron J. Small and Gary W. Falk

- **23 Combined Modality Therapy in Locally Advanced Esophageal Cancer**

Geoffrey Y. Ku and David H. Ilson

- **24 Surgery in Locally Advanced Esophageal Cancer**

Nabil Rizk

- **25 Radiation Therapy for Locally Advanced Esophageal Cancer**

Heath D. Skinner and Bruce D. Minsky

- **26 Systemic Therapy and Targeted Agents in Advanced Esophageal Cancer**

Mark A. Lewis and Harry H. Yoon

- **27 Role of Endoscopy and Nutritional Support in Advanced Esophageal Cancer**

Manol Jovani, Andrea Anderloni and Alessandro Repici
