

Contents

- Contributors** *xi*
Preface *xiii*
Abbreviations *xv*
- 1 Introduction** *1*
Dennis A. Tighe
- 2 Preparations and Precautions** *21*
Bryon A. Gentile
- 3 Indications** *35*
Bryon A. Gentile
- 4 Contraindications to Stress Testing** *45*
Bryon A. Gentile
- 5 Exercise Stress ECG Test Protocols** *53*
Bryon A. Gentile and Dennis A. Tighe
- 6 Stress ECG Testing with Nuclear Myocardial Perfusion Imaging Techniques** *67*
Seth T. Dahlberg and Dennis A. Tighe

- 7 Stress Echocardiography 87**
Dennis A. Tighe
- 8 Pharmacological Stress Testing 115**
Dennis A. Tighe
- 9 Cardiopulmonary Exercise Testing 141**
Bryon A. Gentile
- 10 Stress Testing After Acute Coronary Syndromes 155**
Dennis A. Tighe
- 11 Proper Selection of the Mode of Stress Testing 173**
Dennis A. Tighe
- 12 Exercise-induced Cardiac Arrhythmias 191**
Bryon A. Gentile
- 13 Complications 221**
Bryon A. Gentile
- 14 Interpretation 229**
Bryon A. Gentile and Dennis A. Tighe
- 15 False-Positive and False-Negative Exercise ECG Test Results 267**
John B. Dickey

- 16 Pediatric Exercise Testing 281**
Thomas W. Rowland and Dennis A. Tighe
- 17 Follow-up Care and Management 301**
Dennis A. Tighe
- 18 Value of Exercise (Stress) ECG Testing Before Engaging in Exercise Programs or Competitive Sports 321**
Bryon A. Gentile and Dennis A. Tighe
- 19 Exercise Prescriptions for Healthy Individuals and Cardiac Patients 329**
Dennis A. Tighe and Samuel A. E. Headley
- 20 Computer Technology in the Field of Exercise ECG Stress Testing 359**
Dennis A. Tighe
- 21 Medicolegal Aspects of Stress ECG Testing 375**
Dennis A. Tighe
- 22 Educational Guide for Patients and Families 393**
Dennis A. Tighe
- Index 407**
