Videos	ix
Foreword	x
Preface	xi
About the Editors	xii
Contributors	xiii
Section I Reconstructing the Cornea	1
1 Limbal Stem Cell Transplantation “Evolution and Techniques”	3
<i>Ritu Nagpal, Prafulla K. Maharana, Pranita Sahay, Sreelakshmi P. Amar, Namrata Sharma</i>	
2 Penetrating Keratoplasty	11
<i>Rachel H. Epstein, Ishani P. Majmudar, Parag A. Majmudar</i>	
3 Deep Anterior Lamellar Keratoplasty	17
<i>Sanjana Srivatsa, Soosan Jacob</i>	
4 Descemet’s Stripping Automated Endothelial Keratoplasty	24
<i>Claudia Perez Straziota</i>	
5 Corneal Endothelial Reconstruction: Current and Future Approaches	41
<i>Hon Shing Ong, Jodhbir S. Mehta</i>	
6 Pre-Descemet’s Endothelial Keratoplasty	52
<i>Priya Narang, Amar Agarwal</i>	
7 Keratoprosthesis	62
<i>Alexandra Z. Crawford, Bennie H. Jeng</i>	
8 Patch Grafts	85
<i>Sonal Tuli</i>	
Section II Reconstructing the Iris	91
9 Single-Pass Four-Throw Pupilloplasty	93
<i>Priya Narang, Amar Agarwal</i>	
10 Iridodialysis Repair	98
<i>Priya Narang, Amar Agarwal</i>	
11 Iris Cerclage: 360 Degree Running Pupil Margin Suture	109
<i>Gregory S.H. Ogawa, Michael E. Snyder</i>	
12 Aniridia Intraocular Lenses	116
<i>Dhivya Ashok Kumar, Amar Agarwal</i>	
13 Iris Prosthesis Implantation	120
<i>Walter T. Parker, David R. Hardten, Michael E. Snyder</i>	

Contents

14	Cosmetic Iris Implant Complication and Management	132
	<i>Priya Narang, Amar Agarwal</i>	
15	Pinhole Pupilloplasty	135
	<i>Priya Narang, Amar Agarwal</i>	
	Section III Reconstructing Aqueous Drainage	141
16	Minimally Invasive Glaucoma Surgery and Valves	143
	<i>Priya Narang, Amar Agarwal</i>	
17	Single-Pass Four-Throw Pupilloplasty for Angle Closure Glaucoma	147
	<i>Priya Narang, Amar Agarwal</i>	
	Section IV Reconstructing the Lens	151
18	Jacob Paper Clip Capsule Stabilizer	153
	<i>Vinanti Kangale, Soosan Jacob</i>	
19	Double-Needle Iris/Intraocular Lens Fixation	159
	<i>John C. Hart Jr</i>	
20	Glued Intrasccleral Fixation of Intraocular Lens	163
	<i>Priya Narang, Amar Agarwal</i>	
21	Flanged Intrasccleral Intraocular Lens Fixation with Double-Needle Technique	170
	<i>Shin Yamane</i>	
22	Iris Claw Lens	173
	<i>Ravijit Singh, Kiranjit Singh, Indu Singh, Harmit Kaur</i>	
23	Purkinje Images for Tracking Pseudophacodonesis	179
	<i>Dhivya Ashok Kumar, Athiya Agarwal, Ashvin Agarwal, Ashar Agarwal, Amar Agarwal</i>	
24	Reconstructing the Posterior Capsular Barrier	185
	<i>Priya Narang, Amar Agarwal</i>	
	Section V Miscellaneous	195
25	Anterior Segment Repair and Reconstruction in Traumatic Cases	197
	<i>Fasika A. Woreta, James T. Banta, Ferenc Kuhn, J. Fernando Arevalo</i>	
26	Phacocele and Pseudophacocele	206
	<i>Priya Narang, Amar Agarwal</i>	
27	Trocar Anterior Chamber Maintainer	211
	<i>Priya Narang, Amar Agarwal</i>	
	Index	215

Videos

- Video 1.1** Ocular surface disorders.
- Video 4.1** Descemet's diaries.
- Video 6.1** Pre-Descemet's endothelial keratoplasty in 15 steps.
- Video 6.2** Double infusion cannula technique.
- Video 6.3** Infant young donor keratoplasty.
- Video 9.1** Single-pass four-throw pupilloplasty.
- Video 9.2** Iris suturing.
- Video 10.1** Iridodialysis.
- Video 11.1** Iris Cerclage: 360 degrees running pupil margin suture.
- Video 12.1** Anirida intraocular lens.
- Video 15.1** Pinhole pupilloplasty.
- Video 16.1** Ahmed glaucoma valve tube tribulations.
- Video 16.2** Leaking blebs: grafts, patches, and rotational flaps.
- Video 17.1** Urrets-Zavalía syndrome.
- Video 18.1** Why suture: glued capsular hook.
- Video 20.1** Handshake technique for glued intraocular lens.
- Video 20.2** Sutured scleral fixated intraocular lens with eyelet.
- Video 20.3** Sutured subluxated posterior chamber intraocular lens to glued intraocular lens.
- Video 20.4** No-assistant technique in glued intraocular lens.
- Video 20.5** Soemmering ring.
- Video 20.6** Lessons learned: complications of glued intraocular lens.
- Video 21.1** Yamane technique.
- Video 23.1** Purkinje images.
- Video 24.1** Intraocular lens scaffold.
- Video 24.2** Intraocular lens scaffold: iridodialysis and dislocations.
- Video 24.3** Glued Intraocular lens scaffold.
- Video 24.4** Extrusion cannula assisted levitation of an intraocular lens.
- Video 24.5** Traumatic subluxated cataract.
- Video 24.6** The longest day.
- Video 24.7** The longest day part 10.
- Video 24.8** The longest day part 11.
- Video 24.9** The longest day part 12.
- Video 24.10** Cliff Hanger.
- Video 26.1** Bull horn injury.
- Video 26.2** Pseudophacocoele.
- Video 27.1** Trocar anterior chamber maintainer.
- Video 27.2** Trocar anterior chamber maintainer and pre-Descemet endothelial keratoplasty with glued intraocular lens.
- Video 27.3** Vitrectomy assisted phacoemulsification.
