

SECTION I Care of the Acutely Ill Child

- 1 Assessment of the Acutely Ill Child
- 2 Resuscitation, 9
- 3 Shock and Sepsis,
- 4 Acute Abdominopelvic Emergencies,
- 5 Drowning in Children
- 6 Burns
- 7 Injury and Trauma,
- 8 Poisoning and Ingestion
- 9 Brief Resolved Unexplained Event and Sudden Infant Death Syndrome
- 10 Child Abuse and Neglect

SECTION II Care of the Complex Child

- 11 Symptom Evaluation and Management in Children With Medical Complexity
- 12 Respiratory Considerations in Children With Medical Complexity
- 13 Feeding and Nutrition in Children With Medical Complexity
- 14 Devices and Technology for Children With Medical Complexity

SECTION III Adolescent Medicine

- 15 Behavioral Health Conditions
- 16 Dysmenorrhea and Abnormal Uterine Bleeding
- 17 Polycystic Ovarian Syndrome in Adolescents
- 18 Transgender and Gender Diverse Youth
- 19 Adolescent Sexual Health

SECTION IV Allergy and Immunology

- 20 Anaphylaxis
- 21 Urticaria and Angioedema
- 22 Allergic Rhinitis
- 23 Immune Deficiency

SECTION V Bone and Joint Disorders

- 24 Disorders of the Neck and Spine
- 25 Disorders of the Hip and Lower Extremity
- 26 Common Fractures
- 27 Pediatric Sports Medicine
- 28 Osteomyelitis and Other Bone and Joint Infections

SECTION VI Cardiology

- 29 Development of the Cardiovascular System
- 30 Acyanotic Congenital Heart Disease
- 31 Cyanotic Congenital Heart Disease
- 32 Arrhythmias
- 33 Heart Failure and Cardiomyopathy
- 34 Cardiac Evaluation of Chest Pain, Syncope, and Palpitations
- 35 Acquired Heart Disease

SECTION VII Dermatology

- 36 Dermatologic Morphology
- 37 Acne

- 38 Nevi
- 39 Atopic Dermatitis
- 40 Vascular Disorders
- 41 Hyperpigmented Skin Disorders
- 42 Hypopigmented Skin Lesions
- 43 Nutritional Dermatoses
- 44 Drug Eruptions
- 45 Dermatologic Bacterial Infections

SECTION VIII Endocrinology

- 46 Puberty
- 47 Thyroid Disease
- 48 Disorders of Calcium and Bone Metabolism
- 49 Disorders of the Adrenal Gland
- 50 Diabetes Mellitus
- 51 Hypoglycemia
- 52 Disorders of Growth
- 53 Endocrine Dysnatremias

SECTION IX Gastroenterology

- 54 Diarrhea
- 55 Constipation
- 56 Gastritis and Gastrointestinal Bleeding
- 57 Inflammatory Bowel Disease
- 58 Hernias
- 59 Disorders of the Esophagus
- 60 Intestinal Obstruction and Malrotation
- 61 Disorders of the Pancreas
- 62 Hepatobiliary Disease
- 63 Infections in the Gastrointestinal Tract

SECTION X Genetics and Metabolism

- 64 Overview of Genetic Testing and Newborn Screening
- 65 Chromosomal Disorders
- 66 Syndromes With Congenital Anomalies
- 67 Syndromic Intellectual Disability
- 68 Musculoskeletal and Connective Tissue Disorders
- 69 Metabolic Disorders I

CONTENTS

- 70 Metabolic Disorders II
- 71 Mitochondrial Disorders

SECTION XI Head and Neck Disorders

- 72 Disorders of the Eye
- 73 Disorders of the Ear and Audition
- 74 Disorders of the Nose and Sinuses
- 75 Disorders of Dentition and Oral Cavity
- 76 Disorders of the Neck

SECTION XII Hematology

77 Disorders of Red Blood Cells

78 Disorders of White Blood Cells, 468

Rebecca M. Sutherland

79 Platelet Disorders, 474

Ajibike Lapite

80 Sickle Cell Disease, 479

Ajibike Lapite and Michael Triebwasser

81 Disorders of Thrombosis and Hemostasis, 483

Julianne McGlynn and Chelsea Kotch

SECTION XIII Infectious Diseases

82 The Febrile Infant

83 Fever of Unknown Origin

84 Fever in a Returning Traveler

85 Tick-Borne Illness

86 Human Immunodeficiency Virus

87 Tuberculosis

88 Viral Infections

89 Fungal Infections

90 Parasitic Diseases

SECTION XIV Neonatal Medicine

91 Newborn Examination

92 Assessment of the Acutely Ill Neonate

93 Disorders of the Respiratory System

94 Disorders of the Gastrointestinal Tract

95 Hematologic Disorders of the Neonate

96 Hyperbilirubinemia

97 Neonatal Dermatology

98 Disorders of the Nervous System

99 Neonatal Infections

SECTION XV Nephrology and Urology

100 Hematuria and Proteinuria

101 Hypertension

102 Glomerulonephritis

103 Nephrotic Syndrome

104 Hemolytic-Uremic Syndrome

105 Acute Kidney Injury and Chronic Kidney Disease

106 Congenital Anomalies of the Kidney and Urinary Tract

107 Infections of the Urinary Tract

CONTENTS**SECTION XVI Neurology**

108 Seizures

109 Headache

110 Stroke

- 111 Neurocutaneous Disorders
- 112 Movement Disorders
- 113 Encephalopathies
- 114 Demyelinating Diseases
- 115 Spinal Cord Disorders
- 116 Neuromuscular Disorders
- 117 Neurologic Emergencies
- 118 Infectious Diseases of the Central Nervous System

SECTION XVII Nutrition

- 119 Nutritional Requirements and Growth
- 120 Acute and Chronic Malnutritionn
- 121 Obesity
- 122 Nutritional Deficiencies

SECTION XVIII Oncology

- 123 Leukemia
- 124 Lymphomas
- 125 Brain Tumors
- 126 Neuroblastoma
- 127 Renal Neoplasms
- 128 Bone Neoplasms
- 129 Rhabdomyosarcoma
- 130 Histiocyte Disorders

SECTION XIX Pulmonology

- 131 Asthma
- 132 Cystic Fibrosis and Primary Ciliary Dyskinesia
- 133 Sleep Medicine
- 134 Congenital Anomalies of the Lung
- 135 Infections of the Lower Airway

SECTION XX Rheumatology

- 136 Chronic Arthritis
- 137 Juvenile Dermatomyositis
- 138 Vasculitis and Vasculopathy
- 139 Systemic Lupus Erythematosus
- 140 Granulomatous Disease
