Preface	vi
Acknowledgments	vii
About the companion website	viii
PART 1: Neuroanatomy of the Central Nervous System	1
1 Overview of the nervous system	3
2 Blood vessels, meninges, and ventricles	20
3 Neurodevelopment	40
4 Peripheral nervous system	50
5 Autonomic nervous system	63
6 Spinal cord	77
7 Medulla oblongata	89
8 Pons	105
9 Midbrain	124
10 Diencephalon	136
11 Telencephalon	148
12 Cerebellum	160
13 Spinal tracts	174
PART 2: The Sensory, Motor, and Integration Systems	201
14 Visual system	203
15 Auditory and vestibular system	220
16 Olfaction and taste	237
17 Central motor control	247
18 Limbic system	263
19 Cortical integration	274
20 Imaging essentials	288
Answers to study questions	297
Answers to figures	305
Glossary	308
Index	332
