

Features:

- Includes a summary and tables with **specific guidance on the diagnosis and management of each liver disease**, enabling you to easily find the information you need.
- Contains a **pathophysiology guide** in every chapter to help you quickly determine the immune and epigenetic mechanisms that affect common liver diseases when they occur in tropical regions.
- Covers **key topics** such as liver flukes, tropical hepatosplenomegaly, and much more, all highlighted with ultrasound images, clinical photos, and full-color line drawings.
- Provides guidance on the **interpretation and management of liver masses** using imaging techniques commonly performed in resource-limited settings.
- Provides a **unique, detailed review of essential information** for hepatologists, global health specialists, and other clinicians who have an interest in this complex field.
- **An eBook version is included with purchase.** The eBook allows you to access all of the text, figures, and references, with the ability to search, customize your content, make notes and highlights, and have content read aloud.

Περιεχόμενα:**SECTION I Viral Hepatitides**

- 1 Hepatitis A
- 2 Hepatitis B Virus
- 3 Hepatitis C Infection
- 4 Hepatitis Delta Virus
- 5 Hepatitis E Virus

SECTION II Liver Masses

- 6 Hepatocellular Carcinoma
- 7 Cholangiocarcinoma
- 8 Hepatic Hemangioma
- 9 Other Liver Masses

SECTION III Tropical Infectious Liver Disease

- 10 Schistosomiasis
- 11 Fascioliasis
- 12 Opisthorchis and Clonorchis
- 13 Hepatic Tuberculosis
- 14 Malaria and the Liver
- 15 HIV and Liver Disease
- 16 Amebic Liver Abscess
- 17 Cystic Echinococcosis—Hydatid Liver Disease

SECTION IV Tropical Non-Infectious Liver Disease

- 18 Non-Cirrhotic Portal Hypertension
- 19 Cirrhosis in the Tropics
- 20 Metabolic Dysfunction Associated Steatotic Liver Disease in Resource Limited Settings
- 21 Aflatoxins in Liver Disease
- 22 Tropical Herb-Induced Liver Injury by Pyrrolizidine Alkaloids
- 23 Alcohol-Related Liver Disease
- 24 Drug-Induced Liver Injury in Tropical Settings
- 25 Congestive Hepatopathy
- 26 Acute Liver Failure
- 27 Liver Transplantation in Tropical Settings

SECTION V Rare Tropical Liver Diseases

- 28 Melioidosis and the Liver
- 29 Histoplasmosis
- 30 Brucellosis and the Liver

- 31 Leptospirosis and the Liver
- 32 The Liver in Q Fever
- 33 Hepatic Manifestations of the Dengue Infection
- 34 Leishmaniasis and the Liver
- 35 Iron Overload in Sub-Saharan Africa
