

# CONTENTS

List of Contributors	xv
Preface	xvi
About the Companion Website	xvii

---

## SECTION I: CHINCHILLAS

---

Alopecia	2
Anorexia and Pseudoanorexia	5
Antibiotic-Associated Enterotoxemia	8
Congestive Heart Failure	11
Constipation (Lack of Fecal Production)	13
Dental Malocclusion	16
Dermatophytosis	18
Diarrhea	21
Dyspnea and Tachypnea	24
Dystocia and Disorders of Pregnancy	28
Dysuria, Hematuria, and Pollakiuria	30
Gastrointestinal Stasis and Dilation	34
Giardiasis	38
Nasal Discharge and Sneezing	39
Otitis Media and Interna	42
Penile Disorders: Phimosis, Paraphimosis, and Balanoposthitis	45
Polyuria and Polydipsia	47
Urolithiasis	50
Weight Loss and Cachexia	53

---

## SECTION II: FERRETS

---

Ferret Adrenal Disease (Hyperadrenocorticism)	58
Aleutian Disease Virus (Parvovirus)	61
Alopecia	63
Anorexia	65

Ascites	67
Ataxia	69
Bradycardias	71
Canine Distemper Virus	73
Chordomas	75
Clostridial Enterotoxigenesis	76
Coccidiosis	78
Congestive Heart Failure	79
Coughing	82
Cryptosporidiosis	84
Dermatophytosis	85
Diarrhea	87
Disseminated Idiopathic Myofasciitis (DIM)	90
Dyschezia and Hematochezia	92
Dysphagia	94
Dysuria and Pollakiuria	96
Dyspnea and Tachypnea	98
Ear Mites	100
Eosinophilic Gastroenteritis	101
Epizootic Catarrhal Enteritis	103
Ferret Systemic Coronavirus (FRSCV)	106
Fleas and Flea Infestation	108
Gastritis	110
Gastrointestinal Ulcers	113
Gastrointestinal and Esophageal Foreign Bodies	116
Giardiasis	119
Gingivitis and Periodontal Disease	120
Heartworm Disease	121
Helicobacter Mustelae	123
Hyperestrogenism	125
Hypoglycemia	128
Ibuprofen and Acetaminophen Toxicity	130
Inflammatory Bowel Disease	132
Influenza Virus	134
Insulinoma	136
Liver Disease	139
Lower Urinary Tract Infection	141
Lymphadenopathy (Lymphadenomegaly)	143
Lymphoma	145
Lymphoplasmacytic Enteritis and Gastroenteritis	148
Mast Cell Tumors	150
Megaesophagus	151
Melena	153
Nasal Discharge and Sneezing	155
Neoplasia, Digestive System	157
Neoplasia, Integumentary	159
Neoplasia, Musculoskeletal, and Nervous System	160
Obesity	161
Otitis Externa and Media	163

Paraurethral Cysts (Urogenital Cystic Disease)	165
Paresis and Paralysis	169
Petechia/Ecchymosis/Bruising	171
Pleural Effusion	173
Pneumonia	175
Pododermatitis and Nail Bed Disorders	177
Polyuria and Polydipsia	179
Proliferative Bowel Disease	181
Prostatomegaly	183
Pruritus	186
Ptyalism	188
Rabies	190
Rectal and Anal Prolapse	192
Regurgitation	193
Renal Cysts	195
Renal Failure	196
Renomegaly	199
Salmonellosis	201
Sarcoptic Mange	203
Splenomegaly	205
Swollen Vulva	207
Tachyarrhythmias	209
Urethral Obstruction	211
Urolithiasis	214
Vaccine Reaction	217
Vaginal Discharge	219
Vomiting	221
Weight Loss and Cachexia	224

---

### **SECTION III: GUINEA PIGS**

Abscesses	228
Alopecia	232
Anorexia and Pseudoanorexia	235
Antibiotic-Associated Enterotoxemia	238
Ataxia	241
Cardiac and Pericardial Disease	245
Cardiomyopathy, Dilated (DCM), Hypertrophic (HCM), and Restrictive (RCM)	248
Cervical Lymphadenitis	251
Cheilitis	254
Chlamydiosis	256
Conjunctivitis	258
Constipation (Lack of Fecal Production)	261
Cutaneous and Subcutaneous Masses	265
Dental Malocclusion	269
Dermatophytosis	272
Diarrhea	274
Dyspnea and Tachypnea	277
Dystocia	280

Dysuria, Hematuria, and Pollakiuria	282
Epiphora	286
Exophthalmos and Orbital Diseases	289
Fleas and Flea Infestation	292
Gastric Dilation/Gastric Dilatation Volvulus	293
Gastrointestinal Hypomotility and Gastrointestinal Stasis	296
Head Tilt (Vestibular Disease)	299
Heat stroke	302
Hypercalciuria and Urolithiasis	305
Hyperthyroidism	309
Hypovitaminosis C (Scurvy)	312
Lice and Mites	314
Lower Urinary Tract Infection	317
Mastitis	321
Nasal Discharge and Sneezing	323
Otitis Media and Interna	327
Ovarian Cysts	330
Paresis and Paralysis	333
Pea Eye	336
Perineal Sac Impaction	338
Polyuria and Polydipsia	340
Pneumonia	343
Pododermatitis (Bumblefoot)	346
Pregnancy Toxemia	349
Pruritus	352
Pyometra and Nonneoplastic Uterine Disorders	355
Rhinitis and Sinusitis	358
Seizures	361
Stertor and Stridor	364
Tyzzer's Disease	367
Urinary Tract Obstruction	369
Vaginal Discharge	373
Weight Loss and Cachexia	376

---

## **SECTION IV: HEDGEHOGS**

---

Alopecia and Quill Loss	380
Anorexia and Pseudoanorexia	382
Ataxia	384
Cardiomyopathy	386
Conjunctivitis	388
Cutaneous and Subcutaneous Masses	390
Dental Disease	392
Dermatophytosis	394
Dyspnea and Tachypnea	396
Dysuria and Hematuria	399
Ectoparasites	401
Exophthalmos and Orbital Diseases	403

Female Reproductive Tract Disorders	405
Head Tilt (Vestibular Disease)	407
Nasal Discharge and Sneezing	409
Neoplasia	411
Obesity	413
Vomiting and Diarrhea	415
Wobbly Hedgehog Syndrome	418

---

## SECTION V: RABBITS

---

Abscesses	422
Alopecia	426
Anorexia and Pseudoanorexia	428
Anterior Uveitis	431
Arthritis—Osteoarthritis	434
Arthritis—Septic	436
Ataxia	438
Cataracts	440
Cheyletiellosis and <i>L. Gibbus</i> (Fur Mites)	442
Cheek Teeth (Premolar and Molar) Malocclusion	444
Clostridial Enteritis/Enterotoxigenesis	448
Coccidiosis	451
Congestive Heart Failure	453
Conjunctivitis	456
Constipation (Lack of Fecal Production)	459
Dermatophytosis	463
Diarrhea, Acute	465
Diarrhea—Chronic, Intermittent	468
Dyspnea and Tachypnea	470
Dysuria and Pollakiuria	473
Ear Mites	476
Encephalitozoonosis	478
Encephalitis and Meningoencephalitis	481
Epiphora	484
Facial Nerve Paresis/Paralysis	487
Fleas and Flea Infestation	490
Gastric Dilation (Bloat)	492
Gastrointestinal Hypomotility, and Gastrointestinal Stasis	496
Head Tilt (Vestibular Disease)	500
Heatstroke and Heat Stress	504
Hematuria	506
Herpes Simplex	508
Hypercalciuria (Bladder Sludge) and Urolithiasis	510
Incisor Malocclusion and Overgrowth	513
Incontinence, Urinary	516
Lameness	518
Lead Toxicity	520
Liver Lobe Torsion	522

Mastitis, Cystic, and Septic	524
Mammary Tumors	526
Myxomatosis	528
Nasal Discharge and Sneezing	529
Neck and Back Pain	532
Obesity	534
Otitis Externa and Media	536
Otitis Media and Interna	539
Paresis and Paralysis	542
Pasteurellosis	545
Pinworms (Oxyurids)	548
Pneumonia (Lower Respiratory Tract Infection)	549
Poisoning (Intoxication)	551
Polyuria and Polydipsia	553
Pruritus	555
Ptyalism (Slobbers)	557
Pyoderma	560
Pyometra and Nonneoplastic Endometrial Disorders	563
Rabbit Hemorrhagic Disease Virus (RHDV)	565
Red Eye	567
Renal Failure	570
Rhinitis and Sinusitis	573
Seizures	576
Shope Papilloma Virus	579
Spondylosis Deformans and Spinal Arthritis	580
Testicular Tumors	582
Thymoma and Thymic Lymphoma	583
Treponematosi (Rabbit Syphilis)	585
Ulcerative Pododermatitis (Sore Hocks)	586
Uterine Adenocarcinoma	589
Vaginal Discharge	591
Vertebral Fracture or Luxation	593
Weight Loss and Cachexia	595

---

## **SECTION VI: RODENTS**

---

Acute Respiratory Distress	598
Alopecia	601
Amyloidosis	604
Anorexia and Pseudoanorexia	606
Ascites and Abdominal Distension	609
Ataxia	611
Cheek Pouch Disorders (Hamsters)	613
Congestive Heart Failure	615
Constipation (Lack of Fecal Production)	618
Cutaneous and Subcutaneous Masses	621
Dermatophytosis	623
Diarrhea	625

Dysuria and Pollakiuria	629
Ectoparasites	631
Exophthalmos and Orbital Diseases	633
Head Tilt (Vestibular Disease)	637
Hematuria	639
Hyperadrenocorticism	641
Incisor Malocclusion and Overgrowth	643
Intestinal Parasitism	645
Lower Urinary Tract Infection	647
Mammary Tumors	649
Mycoplasmosis and Chronic Respiratory Disease	652
Nasal Discharge and Sneezing	655
Otitis Media and Interna	657
Ovarian Cysts	659
Pneumonia	661
Polyuria and Polydipsia	664
Pruritus	666
Rectal Prolapse	668
Red Tears (Chromodacryorrhea)	671
Renal Failure	673
Scent Gland Disorders	676
Sialodacryoadenitis Virus	678
Tyzzler's Disease	680
Ulcerative Pododermatitis (Bumblefoot)	682
Uterine Disorders	684
Vaginal Discharge	686
Weight Loss and Cachexia	689

---

## **SECTION VII: SUGAR GLIDERS**

---

Alopecia	692
Anorexia and Pseudoanorexia	694
Conjunctivitis	696
Constipation (Lack of Fecal Production)	699
Dental Disease	702
Diarrhea	704
Dysuria and Hematuria	707
Exophthalmos and Orbital Diseases	709
Female Reproductive Disorders	712
Nasal Discharge and Sneezing	715
Nutritional Osteodystrophy	717
Obesity	720
Paracloacal Gland Disorders	722
Paresis and Paralysis	724
Penile Prolapse	727
Seizures and Tremors	729
Self-Mutilation	731

---

## APPENDICES

---

Appendix I: Common Dosages for Chinchillas	734
Appendix II: Common Dosages for Ferrets	737
Appendix III: Common Dosages for Guinea Pigs	744
Appendix IV: Common Dosages for Hedgehogs	747
Appendix V: Common Dosages for Rabbits	752
Appendix VI: Common Dosages for Selected Rodent Species	757
Appendix VII: Common Dosages for Sugar Gliders	766
Appendix VIII: Sugar Gliders	767
Index	769
