

Section 1: The Nose

1. Anatomy and physiology of the nose and paranasal sinuses

Anshul Sama and Mohammed Hussain

2. Investigation of Nasal Diseases

Carl Philpott

3. Epistaxis

Richard Green

4. Acute rhinosinusitis and its complications

Adam Donne and Andrew Swift

5. Granulomatous conditions of the nose

Joanne Rimmer and Valerie J Lund

6. Chronic Rhinosinusitis

Robin Youngs

7. The Blocked Nose

Paul White

8. Allergic Rhinitis

Martyn Barnes, Victoria Perkins and Quentin Gardiner

9. Facial Pain

Bhaskar Ram and Nick S Jones

10. Nasal and Facial Trauma

Peter Ross and Vanushia Thirumal

11. Facial Plastic Surgery

Tim Woolford

12. Pituitary Surgery

Isma Iqbal

13. Smell and Anosmia

Isma Iqbal

14. Tumours of the Nose and Sinuses

Kim Ah-See and Fergus Cooper

15. Specific Chronic Nasal Infections

Salil Nair and Sandro de Paiva Leite

16. Snoring and OSA in Adults

Bhik Kotecha

Section 2: Throat/ Head and Neck

17. Anatomy of the larynx and pharynx

Richard Adamson and Sam Arman

18. Investigation of pharyngeal disease

Nimesh Patel

19. Benign Disease of the Pharynx

Stephen Ell

20. Infections of the Pharynx

Richard Steven and Valerie Kim

21. Investigations of Laryngeal Disease

Philippe Bowles

22. Infections of the Larynx

Michael Lee

23. Nasopharyngeal Carcinoma

Eddy Wai Yeung Wong and Alexander Vlantis

24. Tumours of the Oropharynx

Paul Pracy and Hannah Nieto

25. Tumours of the Hypopharynx

Jean-Pierre Jeannon

26. Tumours of the Oral Cavity

Ghaly Ghaly and Philip McLoughlin

27. Malignant Tumours of the Larynx

Ekpemi Irune

28. Salivary Gland Disease

Andrew S Evans, Stefan W Linton and Patrick J Bradley

29. Thyroid Diseases

Omar Hilmi and Sarah Ellis

30. Benign diseases of the oral cavity

Elizabeth Theaker and Marianne Dobson

31. Neck Space Infections

Muhammad Shakeel

32. Disorders of Voice

Richard Alan Steven and Samit Majumdar

33. Vocal Cord Paralysis

Conrad Timon and Freya Timon

34. Laryngo-tracheal Trauma

Sanjai Sood and Andrew Harris

35. Tracheostomy

Nick Calder and Brendan McGrath

36. Neck Masses

Vinidh Paleri and Hisham Mehanna

37. Dysphagia

Francis Vaz and Francesca Chiumenti

38. The Parathyroid

Shahed Quraishi and Natasha Quraishi

Section 3: Ear

39. Anatomy and Physiology

Joseph Manjaly and Liam M. Flood

40. Tests for Hearing

Desmond Nunez and Li Qi

41. Tests for Balance

Peter A Rea and Jaswinder S. Sandhu

42. Diseases of the external ear

Anna Loroach and Patrick M. Spielmann

43. Acute Otitis Media

Rupan Banga and Andrew Reid

44. Chronic Otitis media

AE Louise McMurrin and Joseph G Toner

45. Complications of Otitis Media

Duncan Bowyer and Chris Metcalfe

46. Otosclerosis

Arunachalam Iyer

47. Sensorineural Hearing Loss

David K. Selvadurai

48. Tinnitus

Julian Gaskin, Owen Judd and Henry Pau

49. Disorders of Balance

Virangna Taneja and Rahul Kanegaonkar

50. Cerebellopontine Angle Tumours

Hala Kanona, Christopher J Skilbeck and Shakeel R Saeed

51. Otological Trauma

Georgios Kontorinis and John Crowther

52. The Facial Nerve

Somiah Siddiq and Richard Irving

53. Otitis Externa

Simon A. McKean and S. Musheer Hussain

54. Tumours of the Middle Ear

Yougan Saman and Anil R Banerjee

55. Implants in Otology

A. Implants in Otology: Middle Ear and Bone Conduction Hearing Devices

Stephen Jones

B. Implants in Otology: Cochlear Implants

Natasha Grimmond and Peter Wardrop

Section 4: Paediatrics

56. Tonsils and Adenoids

Rujuta Roplekar Bance, Paula Coyle and Peter J Robb

57. Acute Rhinosinusitis and Complications

Sujata De and Mary-Louise Montague

58. Stridor and Airway Endoscopy

David Albert and Yogesh Bajaj

59. Tracheostomy

Ann-Louise McDermott and Joe Grainger

60. Subglottic Stenosis

Haytham Kubba

61. Tumours and Cysts of the Head and Neck

Thushitha Kunanandam

62. The Deaf Child

Christopher Raine

63. Acute Otitis Media and Mastoiditis

Paramita Baruah

64. Otitis Media with Effusion

Antony Narula

65. Chronic Otitis Media

Robert Nash and C Martin Bailey

66. Balance Disorders in Children

Kerrie McAllister

67. Choanal Atresia

Haytham Kubba

68. Obstructive Sleep Apnoea

Grace Khong and Ray Clarke

69. Drooling

Muhammad Shakeel and S. Musheer Hussain

Section 5: Imaging

70. ENT Head and Neck Radiology

Thiru Sudarshan
