PREFACE **XI**

ACKNOWLEDGEMENTS **XIII**

1 An Introduction to Radiographic Positioning and Terminology **1**

Anatomical Terminology **2**

Positioning Terminology **4**

Projection Terminology **8**

Glossary of Terms **9**

2 Thoracic Cavity and Abdomen **13**

Chest

- Postero-anterior (PA) Projection of the Chest **14**
- Lateral Projection of the Chest (Left) **16**

Sternum

- Lateral Projection of the Sternum (Left) **18**

Abdomen

- Antero-posterior (AP) Supine Projection of the Abdomen **20**

3 Upper Limb **23**

Fingers

- Dorsi-palmar (DP) Projection of the Index and Middle Fingers (Left) **24**
- Lateral Projection of the Index Finger (Left) **26**
- Lateral Projection of the Middle Finger (Left) **28**
- Dorsi-palmar (DP) Projection of the Ring and Little Fingers (Left) **30**
- Lateral Projection of the Ring Finger (Left) **32**
- Lateral Projection of the Little Finger (Left) **34**

Thumb

- Antero-posterior (AP) Projection of the Thumb (Right) 36
- Postero-anterior (PA) Projection of the Thumb (Right) 38
- Lateral Projection of the Thumb (Right) 40

Hand

- Dorsi-palmar (DP) Projection of the Hand (Left) 42
- Dorsi-palmar (DP) Oblique Projection of the Hand (Left) 44
- Lateral Projection of the Hand (Left) 46

Wrist

- Postero-anterior (PA) Projection of the Wrist (Right) 48
- Lateral Projection of the Wrist (Right) 50

Scaphoid

- Postero-anterior (PA) Oblique Projection with Ulnar Deviation of the Wrist for Scaphoid (Left) 52
- Zitter's Projection of the Wrist for Scaphoid (Left) 54

Forearm

- Antero-posterior (AP) Projection of the Forearm (Right) 56
- Lateral Projection of the Forearm (Right) 58

Elbow

- Antero-posterior (AP) Projection of the Elbow (Right) 60
- Lateral Projection of the Elbow (Right) 62

Humerus

- Antero-posterior (AP) Projection of the Humerus (Left) 64
- Lateral Projection of the Humerus (Left) 66

4 Shoulder Girdle 69

Shoulder

- Antero-posterior (AP) Projection of the Shoulder (Right) 70
- Supero-inferior (Axial) Projection of the Shoulder (Right) 72

Scapula

- Antero-posterior (AP) Projection of the Scapula (Right) 74
- Lateral (Y) Projection of the Scapula (Right) 76

Clavicle

- Antero-posterior (AP) Projection of the Clavicle (Right) **78**
- Infero-superior Projection of the Clavicle (Right) **80**

5 Lower Limb 83

Hallux

- Dorsi-plantar (DP) Projection of the Hallux (Left) **84**
- Lateral Projection of Hallux (Left) **86**

Foot

- Dorsi-plantar (DP) Projection of the Foot (Left) **88**
- Dorsi-plantar (DP) Oblique Projection of the Foot (Left) **90**
- Turned Lateral Projection of the Foot (Left) **92**

Calcaneum

- Axial Projection of the Calcaneum (Left) **94**
- Lateral Projection of the Calcaneum (Left) **96**

Ankle

- Antero-posterior (AP) Mortise Projection of the Ankle (Right) **98**
- Lateral Projection of the Ankle (Right) **100**

Tibia and Fibula

- Antero-posterior (AP) Projection of the Tibia and Fibula (Tib/Fib) (Left) **102**
- Lateral Projection of the Tibia and Fibula (Tib/Fib) (Left) **104**

Knee

- Antero-posterior Projection of the Knee (Left) **106**
- Turned Lateral Projection of the Knee (Left) **108**
- Horizontal Beam Lateral (HBL) Projection of the Knee (Right) **110**

Femur

- Antero-posterior (AP) Projection of the Femur (Right) – Hip Down **112**
- Antero-posterior (AP) Projection of the Femur (Right) – Knee Up **114**

- Lateral Projection of the Femur (Right) – Hip Down 116
- Lateral Projection of the Femur (Right) – Knee Up 118

6 Pelvic Girdle 121

Pelvis

- Antero-posterior (AP) Projection of the Pelvis 122
- ‘Low Centred’ Antero-posterior (AP) Projection of the Pelvis 124

Hip Joint

- Antero-posterior (AP) Projection of the Hip Joint (Left) 126
- Turned Lateral Projection of the Hip Joint (Left) 128
- Horizontal Beam Lateral Projection of the Hip Joint (Right) 130

Sacroiliac Joints

- Postero-anterior (PA) Projection of the Sacroiliac Joints 132

7 Spine 135

Cervical Spine

- Antero-posterior (AP) Projection of the Cervical Spine 136
- Lateral Projection of the Cervical Spine (Right) 138
- Antero-posterior (AP) Open Mouth Odontoid Process (Peg) Projection 140

Thoracic Spine

- Antero-posterior (AP) Projection of the Thoracic Spine 142
- Lateral Projection of the Thoracic Spine (Right) 144

Lumbar Spine

- Antero-posterior (AP) Projection of the Lumbar Spine 146
- Lateral Projection of the Lumbar Spine (Right) 148

8 Skull and Facial Bones

Skull

- Occipito-frontal (OF) 20° Projection of the Skull **152**
- Fronto-occipital (FO) 30° (Towne's) Projection of the Skull **154**
- Lateral Projection of the Skull (Right) **156**

Facial Bones

- Occipito-mental (OM) Projection of the Facial Bones **158**
- Occipito-mental (OM) 30° Projection of the Facial Bones **160**
- Lateral Projection of the Facial Bones (Right) **162**

Mandible

- Postero-anterior (PA) Projection of the Mandible **164**
- Lateral Oblique Projections of the Mandible (Right) **166**

Orbits

- Occipito-frontal (OF) 20° Projection of the Orbits **168**

Dental

- Dental Panoramic Tomography (DPT) **170**

INDEX **173**
