

## **SECTION 1: Preoperative Considerations**

1. Considerations in Preparation for Surgery

## **SECTION 2: Hand Trauma**

2. Fingertip and Nailbed Injuries
3. Phalangeal and Metacarpal Shaft Fractures
4. Proximal Interphalangeal Joint Fracture Dislocations
5. Phalanx Head and Neck Fractures
6. Bony Mallet Finger Fracture
7. Carpometacarpal Fracture-Dislocations
8. Base of Thumb Fracture-Dislocations
9. Thumb Ulnar Collateral Ligament Avulsion Injuries
10. Thumb and Index Finger Radial Collateral Ligament Avulsion

## **SECTION 3: Flexor and Extensor Tendon Injuries**

11. Acute Flexor Tendon Injury Repair Complications
12. Chronic Flexor Tendon Injury Repair Complications
13. Extensor Tendon Lacerations (All Zones)
14. Extensor Tendon Ruptures
15. Flexor Tenosynovitis
16. Extensor Tenosynovitis and Tendinopathy

## **SECTION 4: Carpal Fractures**

17. Acute Scaphoid Fractures
18. Scaphoid Nonunion
19. Perilunate Dislocations
20. Carpal Fractures Other Than the Scaphoid (Capitate, Lunate, Hamate)

## **SECTION 5: Distal Radius Fractures and Malunions**

21. Distal Radius Fractures: Extraarticular, Intraarticular, Older Adult, and Polytrauma
22. Distal Radius Malunion: Extraarticular and Intraarticular

## **SECTION 6: Ligamentous and Triangular Fibrocartilage Complex (TFCC) Injuries of the Wrist**

23. Scapholunate (Not Scapholunate Advanced Collapse) Ligament Tear
24. Lunotriquetral Ligament Tears
25. Triangular Fibrocartilage Complex Injury: Acute and Chronic
26. Extensor Carpi Ulnaris Tendinopathy, Instability, and Dislocation

## **SECTION 7: Hand Arthritis**

27. Finger and Thumb Interphalangeal and Metacarpophalangeal Joint Arthritis (Arthrodesis, Joint Replacement)
28. Thumb Carpometacarpal Arthritis
29. Mucous Cyst

### **SECTION 8: Wrist Arthritis and Dysvascular Conditions**

- 30. Degenerative Wrist Arthritis
- 31. Posttraumatic Wrist Arthritis: Scapholunate Advanced Collapse and Scaphoid 32. Nonunion Advanced Collapse
- 32. Distal Radioulnar Joint Arthritis
- 33. Avascular Necrosis of the Lunate (Kienböck's Disease)

### **SECTION 9: Elbow and Forearm Acute and Chronic Injuries**

- 34. Forearm Fractures and Injuries
- 35. Elbow and Forearm Stiffness
- 36. Elbow Tendinopathies: Medial Epicondylitis and Lateral Epicondylitis

### **SECTION 10: Nerve Compression and Traumatic Injury**

- 37. Carpal Tunnel Syndrome and Recurrent Carpal Tunnel Syndrome
- 38. Cubital Tunnel Syndrome and Recurrent Cubital Tunnel Syndrome
- 39. Radial Tunnel Syndrome
- 40. Nerve Laceration: Acute and Chronic
- 41. Nerve Palsies

### **SECTION 11: Soft Tissue Trauma and Defects**

- 42. Compartment Syndrome of the Forearm, Hand, and Fingers
- 43. Dysvascular Finger and Thumb: Replantation, Revascularization, and Amputation
- 44. Nonhealing Wounds and Skin Defects of the Upper Extremity

### **SECTION 12: Tumors and Tumor-like Conditions in the Upper Extremity**

- 45. Ganglion Cysts
- 46. Enchondroma and Giant Cell Tumor of the Upper Extremity
- 47. Neuromas and Nerve Tumors of the Upper Extremity
- 48. Dupuytren's Disease

### **SECTION 13: Pediatric and Congenital Hand Surgery**

- 49. Supracondylar Fractures of the Humerus
- 50. Distal Radius Fractures With Open Growth Plates
- 51. Madelung's Deformity
- 52. Syndactyly and Associated Syndrome Considerations
- 53. Thumb Polydactyly
- 54. Thumb Hypoplasia
